NATIONAL INFORMATION SERVICES AGENCY

DIRECTORS' REPORT

The Directors' present their report together with the audited financial statements of the Agency for the year ended 31st December 2023.

Principal Activity

The principal activity of the Agency is compiling, publishing, printing, producing and distributing the Seychelles Nation Newspaper. It also comprises of printing other products.

Results for the year	2023
	SCR
Profit before taxation	1,041,083
Taxation	(128,417)
Profit for the year	912,666

Property, plant and equipment

Additions to property, plant and equipment of **SCR 401,074.00** during the year comprise mainly of purchase of air conditioners and printer for the year 2023.

The property, plant and equipment are stated at cost less accumulated depreciation.

The Directors are of the view that the carrying amount of property, plant and equipment does not materially differ from its fair value as at December 31, 2023.

Dividends

The Directors did not recommend any dividends for the financial year under review (2022: Nil)

NATIONAL INFORMATION SERVICES AGENCY

DIRECTORS' REPORT

Directors and director's interest in the Agency

The Directors from the date of the last report and in this report are:

Mr. Kurtis Lespoir

Mr. Darell Bristol

Mrs. Mary Anne Ernesta

Mr. Khalyann Karunakaran

Ms. Joelle Perreau

Mr. Jean-Claude Matombe

Ms. Barbara Coopoosamy

None of the Directors held an interest in the Agency during the financial year.

Statement of Directors' responsibilities

The Directors are responsible for the overall management of the affairs of the Agency including its operations and making investment decisions.

The Board is responsible for the preparation and fair representation of these financial statements in accordance with International Financial Reporting Standards for Small and Medium-sized Entities (IFRS for SMEs).

The responsibility includes designing, implementing and maintaining internal control that is determined to be necessary to enable the preparation of financial statements that are free of material misstatements, whether due to fraud or error.

The Directors have the general responsibility of safeguarding the assets of the Agency.

The Directors consider they have met their responsibilities as set out by the Public Enterprise Monitoring Commission Act, 2013 and the National Information Services Agency Act, 2010.

NATIONAL INFORMATION SERVICES AGENCY

DIRECTORS' REPORT

Auditors

The Auditor General of Seychelles is mandated to carry out the audit of the Agency as per section 14 (1) of the National Information Services Agency Act, 2010.

OPINION OF THE AUDITOR GENERAL ON THE FINANCIAL STATEMENTS OF THE NATIONAL INFORMATION SERVICES AGENCY (NISA) FOR THE YEAR ENDED 31 DECEMBER 2023

Opinion

The accompanying financial statements set out on pages 9 to 25, which comprise the statement of financial position as at 31 December 2023, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended and the notes to the financial statements, including a summary of significant accounting policies, have been audited by me in terms of Section 14 (1) of the National Information Services Agency Act, 2010.

Accordingly, in my opinion,

- (e) proper accounting records have been kept by the Agency as far as it appears from examination of those records; and
- (f) the financial statements on pages 9 to 25 give a true and fair view of the financial position of the Agency as at 31st December 2023 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standard for small and Medium-sized Entities (IFRS for SMEs) as issued by the International Accounting Standard Board (ISAB) and in compliance with the requirements of the National Information Services Agency Act, 2010 and the Public Enterprises Act.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the '*responsibilities of the Auditor General*' section of my report. I am independent of the Agency in accordance with the INTOSAI Code of Ethics, together with other ethical requirements that are relevant to the audit of financial statements in Seychelles. I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibility of the Members and those charged with Governance

The Members are responsible for the preparation of the financial statements in accordance with International Financial Reporting Standards for small and Medium-sized Entities (IFRS for SMEs) as issued by the International Accounting Standard Board (ISAB) and in compliance with the requirements of the National Information Services Agency Act, 2010 and the Public Enterprises Act, and for such internal control

as the members determine is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the Agency's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the Government either intend to liquidate the Agency or to cease operations, or have no realistic alternative but to do so.

Responsibilities of the Auditor General

The audit objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and issue an auditor's report in accordance with the National Information Services Agency Act, 2010. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of the audit in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- identify and assess that risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtains audit evidence that is sufficient and appropriate to provide a basis for the opinion. The risk of not detecting material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omission or misrepresentation, or the override of internal control;
- obtain an understanding of the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors;
- conclude on the appropriateness of the Board of Directors' use of going concern basis of accounting and, based on the audit evidence obtained, concludes whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the Agency's ability to continue as a going concern. If I concludes that a material uncertainty exists, I am required to draw attention in my report to the related disclosures in the financial statements or if such disclosures

are inadequate, to modify my opinion. My conclusions are based on audit evidence obtained to the date of report. However, future unforeseeable events or conditions may cause the Agency to cease to continue as a going concern;

- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- obtain sufficient appropriate audit evidence regarding the financial information of the entity or business activities within the Agency to express an opinion on the financial statements; and
- communicate with those charged with governance among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I am satisfied that all information and explanations which, to the best of my knowledge and belief, where necessary for the purpose of the audit have been obtained.

Gamini Herath
Auditor General

25 June 2024

NATIONAL INFORMATION SERVICES AGENCY

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED DECEMBER 31, 2023

1. GENERAL INFORMATION

The National Information Services Agency was established in March 2010 under the National Information Services Agency Act, 2010. The Agency's main objective is to establish and operate facilities for the collection and distribution of information which includes compiling, publishing, printing, producing and distributing the Seychelles Nation newspaper.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied for all years, unless otherwise stated.

2.1 Basis for preparation

The financial statements of the National Information Services Agency have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities (IFRS for SMEs) as issued by the International Accounting Standard Board (IASB) and in compliance with the National Information Services Act, 2010.

The financial statements are prepared under the historical cost convention.

2.2 Cash and cash equivalents

Cash and cash equivalents include cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less.

2.3 Trade receivables

Trade receivables are recognised initially at the transaction price. They are subsequently measured at amortised cost, less provision for impairment. A provision for impairment of trade receivables is established when there is objective evidence that the Agency will not be able to collect all amounts due according to the original terms of the receivables.

2.4 Inventories

Inventories are stated at the lower of cost and net realizable value. Cost is determined using the first-in, first-out (FIFO) method. The cost of finished goods and work in progress comprises raw materials, direct labour, other direct costs and related production overhead. At each reporting date, inventories are assessed for impairment. If inventory is impaired, the carrying amount is reduced to its selling price less costs to complete and sell; the impairment loss is recognised immediately in profit or loss.

NATIONAL INFORMATION SERVICES AGENCY

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED DECEMBER 31, 2023

2.5 Property, plant and equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

The Agency adds to the carrying amount of an item of property, plant and equipment the cost of replacing parts of such an item when that cost is incurred if the replacement part is expected to provide incremental future benefits to the Agency. All other repairs and maintenance are charged to profit or loss during the period in which they are incurred.

Depreciation is calculated on the straight line method to write off the cost of each asset to their residual values over their expected useful lives as follows:

Refurbishment of office	30 years
Printing equipment	20 years
Specialised equipment	7 years
Fixtures and fittings	5 years
IT and other equipment	5 years
Motor vehicles	5 years

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, if there is an indication of a significant change since the last reporting date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the statement of comprehensive income

The agency does not hold title deed to the land upon which the building at Laurier Road stands but holds a lease agreement of 30 years for the land with Sunpress Printing Limited.

2.6 Intangible assets

Intangible assets comprise of computer and accounting software. Purchased intangible assets are shown at historical cost. Software has a finite useful life and is carried at cost less accumulated amortisation and any accumulated impairment losses. Amortisation is calculated using the straight line method and allocated over the cost of the software over their estimated useful lives. Intangible assets are amortised over 2 ½ years.

NATIONAL INFORMATION SERVICES AGENCY

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED DECEMBER 31, 2023

2.7 Borrowings

Borrowings are recognised initially at the transaction price (that is, the present value of cash payable to the bank, including transaction costs). Borrowings are subsequently stated at amortised cost. Interest expense is recognised on the basis of the effective interest method and is included in finance costs. Borrowings are classified as current liabilities unless the Agency has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

2.8 Trade payables

Trade payables are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

2.9 Provisions

Provisions are recognised when the Agency has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to any provision is presented in the Income Statement.

2.10 Revenue recognition

Revenue comprises the fair value of the consideration received or receivable for the sale of goods in the ordinary course of the Agency's activities. Revenue is shown net of value-added tax, returns, rebates and discounts. The Agency recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the entity.

2.11 Current and deferred tax

The tax expense for the period comprises current and deferred tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income. The current income tax charge is calculated on the basis of applicable tax rates and laws that have been enacted by the reporting date.

Deferred tax is recognised on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Agency's financial statements and on unused tax losses or tax credits. Deferred income tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date. The carrying amount of deferred tax assets are reviewed at each reporting date and a valuation allowance is set

NATIONAL INFORMATION SERVICES AGENCY

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED DECEMBER 31, 2023

up against deferred tax assets so that the net carrying amount equals the highest amount that is more likely than not to be recovered based on current or future taxable profit.

2.12 Leases

The lease has been recognised under IFRS 16 using the modified retrospective approach and therefore the comparative information has not been restated.

A contract was, or contained, a lease if the contract conveyed the right to control the use of an identified asset for a period of time in exchange for consideration. To determine whether a contract conveyed the right to control the use of an identified asset it must be assessed that;

- the contract involved the use of an identified asset;
- there was the right to obtain substantially all the economic benefits from the use of the asset throughout the period of use; and
- there was the right to direct the use of the asset.

A right-of-use asset and a lease liability are recognised at the lease commencement date. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before commencement date. The right-of-use asset is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

The lease liability is measured at the present value of the remaining terms of the lease using the borrowing rate of the Agency.

Short term and low value leases

The Agency has decided not to recognise right-of use asset and lease liability for short term leases of warehouse having a lease term of 12 months and of low value.

2.12 Going concern

The annual financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realization of assets and settlements of liabilities and commitments will occur in the ordinary course of business.

Analysed as follows:

	2023	2022
Within one year	<u>2,440,303</u>	<u>2,211,019</u>
	<u>2,440,303</u>	<u>2,211,019</u>

- (a) The carrying amount of trade and other receivables approximate their fair values.
- (b) The staff loan balance relates to general purpose loans issued by the Agency which are receivable in instalments over the loan agreement. General purpose loans have a maturity of 1 year. The balances are neither past due or impaired. The Agency does not hold any collateral as security in respect of the general purpose loan receivables.
- (c) The company earns interest on the staff loans, which are classified as finance income on the face of the statement of comprehensive income.

Staff loans and are analysed as follows:

	December 31, 2023	December 31, 2022
	SCR	SCR
Within one year	84,321	93,558
	<u>84,321</u>	<u>93,558</u>

7. BORROWING

Borrowing	December 31, 2023	December 31, 2022
	SCR	SCR
Borrowing	705,710	4,224,248
<i>Analysed as follows:</i>		
Non-current bank borrowings	-	707,982
Current bank borrowings	705,710	3,516,266
	705,710	4,224,248

Borrowing is represented by a term loan with a credit facility entered into with Nouvobanq on 5 December 2013 amounting to R20m, bearing a floating interest rate equivalent to 11% as at 31 December 2016. The loan is guaranteed by the Government of Seychelles. The loan is repayable in 96 monthly instalments, commencing on the thirteenth month from drawdown. During the moratorium period of 12 months, accrued interest was separately serviced by the Agency. In August 2017, with the decrease in Inter-bank interest rate the interest rate was reduced to 8.5%. There was a further change in inter-bank interest rate in April 2018 and the term loan interest was increased to 10.50%. The interest was increased to 11% on the 1st March 2019 and decreased again to 10.50% on the 1st October 2019. During the year 2020 with the lowering of interbank interest rate the interest in the term loan was decreased to 9.5% on the 1st April 2020 and with further deterioration in the financial market, the interest rate was further decreased to 8.50% as at 1st August 2020. A moratorium of 6 months was provided from February to July 2021 due to the impact of the Covid'19 economic downturn. Repayment of term loan was resumed from August 2021. In the year 2023 the interest rate has remained at 8.5%.

8. PROVISION FOR EMPLOYEE BENEFIT

The provision consists of payment of employee compensation and gratuity. Non contract employees are paid gratuity every 5 years and compensation at the end of employment as per the instructions in the Public Service Order and Employment Act, respectively. For employees on a fixed term contract gratuity is paid every two years at the end of their contract.

9. DEFERRED INCOME

Deferred income arises when payments are received in advance of performance or service obligations over the service period. Deferred income relates primarily to the sale of Nation by subscription and the sale of adverts.

13. RIGHT OF USE ASSET AND LEASE LIABILITY

The right of use asset consists of a lease agreement of annual fee of SCR 763,848 for a plot of land and building at Bois De Rose Avenue for a period of 30 years. The lease agreement was entered into on August 01, 2014 with Sunpress Printing Limited. Sunpress Printing Limited is a company owned by Parti Lepep, represented by the CEO Mr. Olsen Vidot.

The Agency has adopted IFRS 16 for the treatment of its lease at Bois De Rose beginning 2020. The right of use asset and lease liability was recognised under the modified retrospective approach #2 and calculated for the remaining present value of the lease terms of 25 years. The present value of the lease was discounted using the borrowing rate of the Agency at 8.5% interest per annum. After negotiations with the landlords, the monthly rental fee was reduced from SR63,654 to SR47,740.50 (Inclusive of VAT with effect from March 2021.)

In effect, the lease liability and right of use asset was re-measured at the beginning of 2021 to adjust for the change in consideration for the decrease.

13.1 Right of use asset

Land and buildings
